SAINT-GOBAIN

Introducing More Value

Landmark Pro is designed specifically for the professional roofing contractor that takes pride in providing **more** to their customer.

Landmark Pro improves upon the CertainTeed Landmark shingle, a leading consumer publication's "Best Buy" for the past five years.

We started by adding **more** weathering asphalt to the industry's toughest fiberglass mat to provide **more** protection. Then we incorporated our Maximum Definition color blend technology to give the product more vibrancy on the roof. Included is the proven performance of our NailTrak feature, enabling faster installation.

Landmark Pro offers the industry's strongest warranty. Protecting your reputation and safeguarding homeowners from manufacturing and aesthetic defects.

Landmark Pro Standard Warranty

- Lifetime Limited Warranty
- 10-years of SureStart protection
- 15-year 110 MPH wind warranty (Upgrade to 130 MPH available)
(CertainTeed starter and CertainTeed hip and ridge required)
- 15-year algae resistance warranty

Add it all up and what you get is the opportunity to offer a lot of additional value for the money... and today that means more than ever...

LANDMARK™ **PRO**

LANDMARK™ PRO color palette

Landmark Pro Silver Birch is an ENERGY STAR® rated product and may qualify for a federal tax credit.

max def colors

Look deeper. With Max Def, a new dimension is added to shingles with a richer mixture of surface granules. You get a brighter, more vibrant, more dramatic appearance and depth of color. And the natural beauty of your roof shines through.

WIDER. Faster. Proven.

For the past 10 years, NailTrak™ has enabled installers to shingle with improved speed and accuracy. With a nailing area that's three times WIDER than typical laminate shingles, nails hit home with NailTrak. A feature on all Landmark Series shingles. Speed and accuracy result in lower labor costs.

No leaks. No de-lamination. No callbacks.
The cost of doing business has gone down with NailTrak.

Reaching for the ENERGY STARS.

As a 2011 ENERGY STAR Sustained Excellence

recipient for Energy Management, we are proud of our commitment to designing high quality, sustainable roofing products.
